Curatorial

2005

Curator for the SOIL members exhibition at [Aqua Art Miami](#) in Miami Beach.

Co-curator of "Seeing Green" with Tracey Fugami. A group show of at SOIL that brought together urban artists from New York and Seattle who use imagery, both real and imagined, of the natural world to explore concepts of abstraction, realism, and politics.

2003

Curator for "Collections and Creations", a group show of the SOIL artists at Seattle's Bumbershoot arts festival.

2002

Curated "Off the Page" with Carrie Whitney at the SOIL Gallery in Seattle. This was a show of 3 dimensional narrative work featuring work by Jim Woodring, Bill Griffith, Ellen Forney, David Laskey, Blair Wilson, Greg Stump, Randy Wood, Carrie Whitney, and many other regional artists.

Organizer of "One Night Only: 11 Shows in 11 Months" a series of one night only art shows that take place on the first Friday of every month in a downtown Seattle gallery space.

1998-2001

Organizer of "Confounded Coloring Book", a monthly event/publication held on the last Thursday at Confounded Books/Hypno Video in Seattle. Participants create one black and white page, which is later published on the on-line "Confounded Coloring Book".
